

**PADDLE YOUR WAY  
TO FUN WITH OUR  
CANOE, KAYAK & TUBE RENTALS**  
**WWW.CAMPRIVERSEDGE.COM**

**Rent a Canoe, Kayak, Tracker or Tube**  
*Enjoy a day on the beautiful Youghiogeny River!*

Our KOA rental team will drive you 3 miles "up river" to Connellsville . Once at the river park, our team will assist you as you enter the water and start your float back to camp.

Typical float trips take as little as 1.5 hours on a canoe or kayak and 2 to 3 hours on a tube. Actual time spent on the river can depend on river conditions--fast or slow currents, and you!

Many guests stop off along the banks of the river for a picnic lunch or they take their time enjoying an afternoon of fishing.

Canoes, kayaks and tubes must be returned to the canoe ramp at camp no later than 6 pm. Oars and life jackets are checked back in by you at the rental desk in the camp store.

**Just Need a Ride for You and Your Own Equipment?**

Sunday through Friday, our KOA shuttle is available to transport you and your boat or tube if you are camping with us during the week. Personal shuttle service is not available on Saturdays or Holiday weekends. Some restrictions apply. See rental team for details.

Advanced reservations required.

**Must be a registered camping guest for this shuttle service.**
